TRANS-EAST
BY WILLETT

IN LOVELY SOLID CHERRY

For fresh, new effects in modern or traditional homes

FROM America's earliest days, the finest homes have borrowed the refinement of detail and graceful simplicity of Oriental art. Today, these ageless designs lend new elegance to contemporary homes — and the finest expression of this new decorative approach is found in Willett Trans-East furniture in solid cherry.

ENHANCING THE COMFORT of this living room is the warm glow of Willett solid cherry Trans-East furniture. In a complete room, or collected piece by piece, Willett Trans-East will achieve the same charm in your home. Many other appropriate upholstered pieces not shown in this folder may be seen in the Willett catalog.

Willett Trans-East comes in open stock selections . . . to make it easy for you to own.

FINE furniture of solid cherry, a possession that grows in beauty and value with the passing years, is now easy to acquire — even on young homemakers' budgets! The open stock collection of Trans-East furniture shown inside this folder is but one of the many lines of solid wood furniture by Willett, designed to complement traditional or modern interiors. A lamp table, a coffee table — any single piece, will start your collection and let you build permanent beauty for your rooms.
